“Working together for the betterment of the Canadian glass industry”

GLASS CONNECTIONS 2010 CGA CONFERENCE PROSPECTUS Vancouver, September 30, 2010

Connect your products with your market at the Canadian Glass Association Conference & Trade Show. Glass Connections 2010 is a one-day networking event and trade show for glaziers, architects, engineers, designers, spec writers, commercial construction contractors and building owners.

Take this opportunity to put your company name in front of the key decision makers from the glass and aluminum industry!

CGA is proud to be at the forefront of the glass & metal industry. We invite you to participate in this opportunity to showcase your products and services to our distinguished group of conference delegates.

Our Sponsorship program consists of several levels, each offering a unique blend of networking opportunities to allow attendees to familiarize themselves with the excellent products and services available on the market. Conferences are a unique, highly targeted medium for connecting with qualified prospects in an intimate forum. They present the opportunity for credible exposure with a carefully targeted audience, while building and reinforcing one-to-one business relationships.

As a corporate sponsor, we assure that all sponsors receive the maximum amount of exposure during our conference and provide the space required to expose products and services to all attendees. The sponsorship area will be located in a high-traffic area visible to all attendees during the entire day's events.

Key reason why you should participate at our conference:

- Increased visibility amongst a select group of professional decision-makers
- Improved awareness of your offering through product samples or demonstrations
- Relationship-building opportunities before, during and after the event
- Enhanced credibility and image through your relationship with CGA and trusted leaders within the glass and metal industry
- Exclusive opportunities to help you stand out from your competitors
- Brand recognition
- Strengthened relationships with existing clients
- Increased trust amongst prospects through your demonstrated commitment to and knowledge about the construction industry
- And more

CGA Sponsor displays

The CGA Sponsor Display opportunity will be a part of the Canadian Glass Association Conference held on September 30, 2010. This event is designed to give sponsors optimum exposure in a tradeshow type environment. Each sponsor will receive a number of tradeshow tickets for distribution to their clients and affiliates prior to the show that is commensurate with their level of sponsorship. These tickets will allow potential and existing clients to partake in the festivities of the Tradeshow. This will provide a great opportunity for networking and to mingle with a wide range of attendees. There will be several door prizes, draws, food, and excitement for all to partake.

Sign up today for this unique sponsorship opportunity before space runs out. We look forward to having you join us.

For general information including technical sessions, key note speakers, sponsorship prospectus, conference registration forms, hotel reservation form, and general conference highlights and updates, please visit our official Conference web site at: www.canadianglassassociation.com/conference.shtml
